NEAT AS A PIN

At the end of a quiet cul de sac that adjoins nature's playground this neat and tidy cottage located at the back of a battle axe block has been freshly painted throughout, the family bathroom has been renovated and the kitchen updated.

Ideally located the home enjoys the serenity of the nearby bushland whilst soaking up the ambience of the quiet Mt Kuring-gai community.

A covered verandah flows around to the alfresco deck that overlooks a fully fenced rear yard that offers plenty of room for children to run and play.

With off street covered parking for two cars it is only an easy 600 metre stroll to the local school, shops and trains.
