SPACE AND ROOM TO MOVE

You will be impressed by the size and the space this family home has to offer and the tranquil and peaceful outlook across the tree tops and the distance district views. The entry foyer opens onto a large light and bright formal lounge and dining area that is flowed with natural light. The gourmet kitchen with a granite bench top and stainless steel appliances, including gas cooking features an informal dining area that also enjoys the outside ambience of the spectacular views.

The huge master bedroom is located at one end of the home with its full bathroom, separate toilet and walk in robe with the three remaining bedrooms and family bathroom at the other end of the home.

The fully fenced inground salt water pool flows to a small landscape area and the pool deck is large enough to easily to accommodate all those pool lounges and pool toys. The downstairs area with internal and external access features an enormous open plan area that is currently used as a billiard room and there is a separate wine cellar.

Double lock up garage, solar panels, off street parking for at least four cars and just a three minute drive or 1.8 kilometres to Cherry Brook Public School and 10 minutes or 5 kilometres to Castle Towers Shopping Centre.

Cherry Brook train station, due to open 2019 is one kilometre away.
